CHERRY CREEK

— SINCE 1995 —

Senior Player Advantage Card

A Senior Golfer can earn a “Senior Player Advantage Card” that allows them to return and play the course another day for an \$8.00 discount off published senior rates.

To earn this card, a Senior Golfer pays for their 18 hole round. After their round, he/she sits down to eat lunch in the **Restaurant, ordering off the menu.** (**Hot dog/turn sandwich with chips and pop/beer does not qualify.*) Upon paying for lunch, the Senior Golfer will be issued an additional “**Senior Player Advantage Card**”. The Senior Golfer will be required to show the restaurant server their golf receipt (*from that day*) in addition to ordering off the restaurant menu.

When the Senior Golfer returns to redeem their “Senior Player Advantage Card”, a Pro Shop staff member will collect the card. (*One discounted round per card. Card must be forfeited.*)

If the Senior Golfer eats lunch again, after their discounted round, they will receive another “Senior Player Advantage Card”, entitling them to a future \$8.00 discounted 18 hole round. This process can be repeated as often as the Senior Golfer wishes, during scheduled senior playing times.

“Senior Golfer Advantage Cards” can only be earned and redeemed by Seniors. A Senior Golfer is defined as a man or woman, 55+ years.

“Senior Player Advantage Cards” can only be earned by golfing and dining on the same day.

Rates and offers will vary by season. Cherry Creek retains the right to amend or cancel this program at any time and at its sole discretion.
