

## GOLF

For over 20 years, Cherry Creek has prided itself in being the premiere golf course & banquet facility in the Metro-Detroit region. Over the years, we have hosted numerous golf outings, business golf meetings, team building seminars, and other company events with glowing accolades. No request is too big or too small, we will custom tailor an event to fit all of your needs!

### Golf Outing Pro (Planning Stage)

Our dedicated event team will personally oversee your events every need including setting up a personalized website for your outing. Through this fully customizable website not only will you attract more players, but your players can register, check event times, get updates and so much more. As an organizer, this software will allow you to arrange your player's information, build your foursomes and store all your data for future consideration.

### Practice Facilities

Consistently regarded and awarded best in class, our premiere practice facilities are a standard amenity included in all golf event packages. Your attendees will be blown away by a 400 yard deep range featuring grass tees and "Reelfeel" artificial hitting surfaces, plus 3000 sq. feet of putting greens, chipping greens, and practice bunkers.

### Bag Drop / Registration

Personalized cart signs, displayed scoring, a second-to-none arrival experience, registration, and a long list of contest suggestions are all but a few of the elements that will be professionally handled from start to finish the day of your event. Given the proper lead time, we can create custom merchandise with your corporate or charity logos. This will help promote your organization and lend that added professional touch to your event.

### Golf

Now it's time to hit the course! Our picturesque property offers a tremendous environment for golf featuring wetlands, natural ponds, streams, and an abundance of wild life. The course itself features a variety of large trees, sculpted fairways, challenging but fair bunker placement, and firm fast greens. Those who have played Cherry Creek continue to come back, time and time again, to experience the outstanding course conditions.
